

PR: Performance Review!

There are many events in our area that feature music, and your assignment is to attend one such performance. Examples would be: a choir concert, a band concert, an orchestra concert, a dance performance, a jazz showcase, or a musical. A list of pre-approved events will be on the St. Joseph music page online at www.bealcityparish.org, however, there are many events that will not be listed! Just ask Miss Miller if you have an idea for an event that has not been listed.

Also, please paperclip the **PROGRAM and/or TICKET** to your review. Without the program, your review will lose points! I need to know what event you attended!

Please be sure to include answers to the following questions (in sentences, if you can). Younger students will probably need a little help from their parent/guardian for this:

1. Who is performing and what day/time is the performance taking place?

2. How did you find out about this performance?

3. What kinds of instruments/people do you see on the stage during the performance?

4. Who else is in the audience (rather, what types of people are attending the concert)?
Other moms and dads? Other children your age? High school or college students?

5. What do you think about the performance (did you like it or not and why)? Do you think you will attend a similar performance in the future? Why or why not?
