Dear Family of St. Joseph the Worker:

Part of being good stewards is accountability. That is, stewards report honestly how they have been handling what was entrusted to them. Thus, the reason for this letter. On the backside of this letter, you will find our parish's financial report for the past fiscal year, which ended on June 30, 2020. Also, for a side by side comparison, the two previous years are included. For even more detail visit the parish website to see graphs <https://www.bealcityparish.org>.

Total Church Revenue:	\$599,587	Total School Revenue:	\$305,315
Total Church Expenses:	<u>\$326,638</u>	Total School Expenses:	<u>\$641,929</u>
Total Church Surplus:	\$272,949	Total School (Deficit):	(\$336,614)
Grand Total Parish Income:		\$904,902	
Grand Total Parish Expenses:		<u>\$968,567</u>	
Total Parish Surplus:		(\$63,665)	

The money from the weekly Capital Improvement envelopes is designated for parish capital improvement projects. The capital improvement fund totals:

Grand Total Capital Improvement Income: \$ 38,008

As I announced last weekend at all the Masses, there will be a financial address at all Masses this coming weekend (November 21/22) by a member of the parish Finance Council, which should help even more to explain the parish's finances.

May our stewardship of God's good gifts continue to bear much fruit.

Sincerely in Christ,

Father Thomas Held

Pastor
