

St. Joseph the Worker School

November 2021

Just a reminder for parents dropping students off in the morning that supervision does not begin until 7:30 AM.

Auction Please mark your calendars for the 23rd Annual School Auction on April 29, 2022. The Auction Committee is looking for volunteers to help. If you would like to learn more, please contact Amanda Gross (989-506-2896) or Mr. Lorenz (989-644-3970).

We are also looking for parents who would like to help with classroom projects. Each grade creates a verbal and silent auction item. Please contact Mr. Lorenz if you are interested for more details.

Our next Auction meeting is Tuesday, November 9 at 7 PM in the school library for anyone who is interested in helping!

 **Burrrrr!** Just a reminder that the weather is turning colder and the snow will soon begin to fly! Please make sure your child (ren) are dressed properly: coats, hats, mittens, snow pants and **all items are labeled**. Students need to wear boots when it snows. Thank you!

EMERGENCY SCHOOL CLOSING St. Joseph the Worker School will always be closed when Beal City Public School is closed due to inclement weather. If severe weather conditions make it impossible to have school, the notice will be given on radio stations CFX & WCZY (Mt. Pleasant), and TV Channel 9 & 10, WNEM TV5, and Mid-Michigan NOW (NBC25/Fox 66/CW46). All parents should receive a Power School call announcing all school closures. If there is need for early dismissal during the day, the announcement will also be as placed. Parents should explain to their child/children what they are to do in such an emergency.

Safety During the month of November the students will be learning personal safety skills. We are mandated by the Diocese of Saginaw to teach these skills to our students every year. The teachers will be using the Child Lures: Creating Safe Environments for Children and Youth and Michigan Model safety units. These programs help students master personal safety skills – all while reassuring them that most people are kind, safe and committed to their wellbeing. Students will also learn about internet safety, touching safety, and violence prevention. If you have any questions or concerns, please contact Mr. Lorenz.

SCRIP Plan now for your holiday shopping. Use gift cards/certificates and earn money for our school. Please call the school office if you would like more information or to purchase!

What: Gift Cards/Certificates. When you purchase scrip, you are purchasing gift certificates to be used the same as cash.

Why: For every SCRIP gift card/certificate purchased St. Joseph the Worker School receives a percentage (2 to 20%) as revenue. This money is used to enrich the educational experience of the students: field trips, plays, presentations brought in to school, etc.

How: Many popular certificates are kept in stock at the school office. Orders can be placed for any certificates not kept in stock. These certificates make great birthday, anniversary, and Christmas gifts. They also can be used for everyday purchases such as gas, groceries, and dining out.
